

REQUEST TO REVIEW INGV RESEARCH PROJECTS

INGV periodically asks its researchers to submit research projects about the Earth sciences. The amount INGV intends to finance is 500.000,00 (five hundred thousand euros).

- Summary sheet (included expense budget): 4 pages
- Proposal: max 4 pages
- Image: 1 page

INGV is putting together a Committee to evaluate the proposals. The Committee will consist of 5 members, randomly chosen from those who will respond to this request. The Committee will appoint a Coordinator empowered to keep the direct reports with INGV.

The [INGV Scientific Advisory Board](#) will select the 5 referees on the basis of scientific issues of interest and will establish the final panel.

Each committee member will receive 1.000 (a thousand) euros from INGV.
