

## Europass Curriculum Vitae

### Personal information

First name(s) / Surname(s)

Fawzi Doumaz

Telephone(s)

+39-0651860421

Fax(es)

E-mail

fawzi.doumaz@ingv.it

Nationality

Algerian / Italian

Date of birth

November 4<sup>th</sup>, 1964

Gender

Male

### Desired employment / Occupational field

**GEOMATICS/ARCHEOMATICS Technologies, GIS and Data management, ITC and software designer**

### Dates

Senior researcher

Occupation or position held

Main activities and responsibilities

- Research & Development in Geosciences,
- INGV National GIS activities Co-coordinator
- Software and web applications development for real-time data management
- RDBMS and Geodatabase management (OGC protocols and standards)
- Metadata management
- Software design under GIS environment (commercial & open source)
- WEB-based early warning software development
- Software development and infrastructures maintenance during Antarctic Italian expeditions
- Collaboration in several European and National projects
- WEBGIS and Geodatabase design and implementation for Water resources for Algerian Ministry.
- Member of 3 Antarctic Italian Scientific Expeditions for Geophysical observatories
- **"Situation Awareness 2013"**, Awarded by ESRI, the world leader of GIS software company
- Chief of Head office of INGV Cosenza
- Research associate CNR-ISMA (**Istituto di Studi sul Mediterraneo Antico**)
- Task leader in several National and European projects
- ENAC authorized UAV pilot and operator
- Member of the Scientific council of CNRA (Centre National de Recherches en Archéologie) Algeria
- Member of the Scientific council of INGV
- Member of the technical committee of the Coliseum Archaeological Park

Name and address of employer

Istituto Nazionale di Geofisica e Vulcanologia, Via di Vigna Murata 605, 00143, Rome, Italy  
ONT - Osservatorio Nazionale Terremoti

Type of business or sector

Earthquakes, Volcanoes, Geo-risk assessment, , ITC, GIS, deep sea data management, 3D environments for science, Geophysics for Archaeology, Drone Pilot. Payload design and implementation for UAV and Drones, photogrammetry for topography and archaeology.

Occupation or position held	Researcher																								
Main activities and responsibilities	<ul style="list-style-type: none"> <li>• Remote sensing for seismogenic sources identification</li> <li>• Digital elevation models generation using GIS software</li> <li>• Geomorphology of modern and quaternary landscapes.</li> <li>• Ground Calibration/Validation for remote sensing</li> <li>• Software development for earth sciences.</li> <li>• Photogrammetry for Geosciences and Archaeology</li> </ul>																								
	<b>From 1992 -1996</b>																								
Name and address of employer	Centre de Recherche en Astronomie, Astrophysique et Géophysique, Route de l'observatoire, Bouzareah, Algiers, Algeria																								
Type of business or sector	Earthquakes, Seismotectonic, Paléoseismology, ITC.																								
<b>Education and training</b>																									
<b>Dates</b>	<b>Juin 1992</b>																								
Title of qualification awarded	Engineering Geology degree																								
Name and type of organisation providing education and training	University of science and technology of Algiers (Houari Boumedienne)																								
<b>Personal skills and competences</b>																									
Mother tongue(s)	<b>Arabic, French, Italian, English</b>																								
Other language(s)																									
Self-assessment																									
European level (*)	<table border="1"> <thead> <tr> <th colspan="2">Understanding</th> <th colspan="2">Speaking</th> <th colspan="2">Writing</th> </tr> <tr> <th>Listening</th> <th>Reading</th> <th colspan="2">Spoken interaction</th> <th colspan="2">Spoken production</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>C1</td> <td></td> <td>C1</td> <td>C1</td> </tr> <tr> <td></td> <td>English</td> <td></td> <td></td> <td></td> <td>C1</td> </tr> </tbody> </table>	Understanding		Speaking		Writing		Listening	Reading	Spoken interaction		Spoken production				C1		C1	C1		English				C1
Understanding		Speaking		Writing

Social skills and competences	<ul style="list-style-type: none"> <li>• Team work: Ample social capacities and facilities to initiate, communicate, interact and maintain positive social relationships with others in work and life.</li> <li>• Mediating skills</li> <li>• Intercultural skills</li> <li>• Solution-Maker</li> </ul>																								
Organisational skills and competences	<ul style="list-style-type: none"> <li>• Good vision of the whole work to be done and good capacity to dispatch the work on the team members following their skills and capacities.</li> <li>• Scientific campaigns organisation and coordination</li> <li>• ITC and Geomatics Solution-Maker</li> </ul>																								

Technical skills and competences	Solution maker for IT architectures, software and hardware solutions for data processing chains, High quality digital data acquisition technics
Computer skills and competences	<p>Windows, Unix, Mac</p> <ul style="list-style-type: none"> <li>• Servers system management</li> <li>• Internet protocols, connectivity and security</li> <li>• Software development standalone and web-based</li> <li>• Development with .net framework ( VB.Net, Asp.net, C# )</li> <li>• Development with IDL, Python, PHP</li> <li>• Development with : ESRI AML, ESRI Avenue</li> <li>• Open-source GIS environment for desktop and server approaches,</li> <li>• All server and Desktop ESRI products (ArcGis)</li> <li>• ArcSDE installation and tuning</li> <li>• ArcGIS server installation and tuning (services and application implementation)</li> <li>• Developpement for ArcGIS server</li> <li>• WEB design</li> <li>• OGC Data exchange protocols</li> <li>• Computer graphics</li> </ul>
Artistic skills and competences	Guitar player and music arranger and producer, drawing, photography.
Other skills and competences	Basic skill in Electronics, good knowledge in Hardware assembling and controllers coding.
<b>Additional information</b>	<ul style="list-style-type: none"> <li>❖ Outreach products like interactive WEB sites &amp; movies maker for scientific divulgation</li> <li>❖ "<b>Situation Awareness 2013</b>", Awarded by ESRI, the world leader of GIS software company</li> </ul>
